

TROWEL-TOP™ SYSTEM

- Smooth, modern finish with endless color combinations
- Adds slip resistance
- Bonds to new and existing concrete
- Can be installed vertically

Retail Store | Westdeck Concrete Coating, Las Vegas, NV

The Concrete Solutions® Trowel-Top™ System offers an extremely smooth finish, similar to polished concrete, and is used to resurface floors, walls, countertops and more.

Endless color combinations are available with integral colors, stains and dyes. Trowel-Top can even be applied to vertical surfaces to achieve a Venetian plaster look popular in homes, offices, retail spaces and restaurants.
